Tax Collector Mike Fasano Promotes NAMI of Pasco in All Tax Collector Offices in April

During the month of April ***NAMI of Pasco (National Alliance on Mental Illness)*** will be the featured charitable organization of the month at the Pasco County Tax Collector's Office. ***NAMI of Pasco*** is an all-volunteer chapter of the National Alliance on Mental Illness. ***NAMI of Pasco's*** goal is to help those with mental illness live better lives through education, support, advocacy and increasing awareness of the myths and facts surrounding mental illness.

"Feeling alone, not knowing where to turn when my brother was in crisis, I discovered NAMI's free, 12-week Family to Family Education class," states ***NAMI of Pasco Vice-President Gloria Strother***. "I was given a notebook filled with hundreds of pages of valuable information and was taught in a setting with others who understood my challenges."

It is estimated that depression is more common than AIDS, cancer and diabetes combined. Depression is the leading cause of disability worldwide. There are many other mental illnesses that impact the lives of people both near and far

away. **NAMI of Pasco** is here to help not only the individual who has the illness, but also family, friends and caregivers who also are impacted by mental illness.

“NAMI of Pasco has long been a friend of ours,” states **Tax Collector Mike Fasano**. “I’m pleased that our agency has the opportunity to shine the spotlight on the good work **Dr. Doug Webster, President, Gloria Strother, Vice President** and all the volunteers at **NAMI** do for individuals with a mental illness as well as the family and friends who care for them. Mental illness touches more lives than most of us realize. I encourage anyone who is interested in helping ensure that these needed services continue, and to assist **NAMI of Pasco** to grow to meet the ever changing needs of our community, to stop by one of our offices and make a donation.”

Funds raised during the month of April will stay in our community and will be used to offer free classes, including materials, and support groups; as well as, maintaining a website, brochures and manuals, a small administrative office, and on-going training for new volunteer teachers and facilitators to conduct **NAMI of Pasco** programs.
