***New Safety Precautions at
Pasco County Tax Collector's Offices
Announced***

To help ensure the health and safety of our customers and staff the five Pasco County Tax Collector's Offices will be implementing a new policy effective at 8:30 AM on March 20, 2020. Only the individual customer who is doing business with our office will be allowed to enter the building. Unless they are also conducting business, any family members or friends who may be accompanying that individual will be asked to wait

outside. We will do our best to accommodate parents and guardians with children.

New rules and regulations regarding “social distancing” and other limitations on public gatherings are being announced frequently. Our office is committed to doing its part to comply with any directive issued by state or federal authorities. We are also using common sense to ensure that everyone who may visit our offices can do so quickly and in a clean and healthy environment. While this new policy is temporary it will remain in effect until further notice.

On behalf of everyone at the Pasco County Tax Collector’s Office we thank you for your patience and understanding as we all work together to get through this unique situation.
