Tax Collector Mike Fasano Announces that \$24,399 Was Raised During the Month of April for “Lauren’s Kids”

Pasco County Tax Collector Mike Fasano announces that **Lauren’s Kids** was the tax collector’s featured charitable organization for the month of April. **Lauren’s Kids** is an organization that works with local school districts to prevent childhood sexual abuse through education and awareness. Additionally, **Lauren’s Kids** helps heal survivors with guidance and support. **Lauren’s Kids** was started in 2007 by **Lauren Book**, now a state senator and herself a victim of years of childhood sexual abuse by a trusted caregiver. **Senator Lauren Book** has taken her own experiences and turned them into an opportunity to help children find hope and healing.

The **Pasco County Tax Collector’s Office** collected donations and promoted the **Lauren’s Kids** specialty license plate and charitable check-off during the month of April. In addition to the funds raised, there are now 30 new **Lauren’s Kids** specialty tags on the roads of Pasco County.

“**Lauren’s Kids** thanks **Pasco County Tax Collector Mike Fasano** and his entire team for their continued efforts to prevent child sexual abuse and help survivors heal,” comments **Senator Lauren Book**, the founder of **Lauren’s Kids**. “Every dollar makes a difference and helps fund vital prevention, education, and awareness programs to protect childhood. One in 3 girls and 1 in 5 boys will become a victim of sexual abuse before turning 18. 1 in 5 children who touch a digital device will be sexually solicited online – but armed with the knowledge that 95% of this

abuse IS preventable with education and awareness, the **Pasco Tax Collectors Office** is creating change for children in West Florida.”

“On behalf of the entire staff of the **Pasco County Tax Collector’s Office** we thank the members of our very generous community for supporting this life-changing program,” **Tax Collector Mike Fasano** comments. “**Senator Book’s** personal experiences drove her desire to create a non-profit organization that has and will continue to help untold numbers of children, parents and teachers learn about and prevent childhood sexual abuse. It has been an honor for the **Pasco County Tax Collector’s Office** to once again team with **Lauren’s Kids** to train a new generation of children about this crime and how they may find help and healing if they do become victims of it. Thank you to everyone who donated and/ or purchased a specialty tag to advance the efforts of **Lauren’s Kids**. We may never know the entirety of the impact your generosity has made in the lives of our most vulnerable, but there is no doubt it is great.”
