Pasco Tax Collector's Five Offices Will Feature the State Veterans Nursing Home in Pasco as November's Charity of the Month

The five **Pasco County Tax Collector's Offices** will be featuring the **State Veterans Nursing Home** as its November Charity-of-the-Month. Beginning November 1 and running throughout the entire month, the **State Veterans Nursing Home** will be the recipient of donations made at our offices, through the mail, and online. The nursing home was built for veterans who need long-term skilled

nursing care, with about 50% of the beds dedicated to veterans with dementia and related memory disorders. The funds will be used to improve life enrichment programs for the veterans, dollars that are not provided by any source other than through donations.

"It is truly inspiring to serve our veterans who sacrificed so much in protecting our freedoms," comments **Administrator Marlies Sarrett**. "By supporting them as the Charity of the Month, it is a fitting way to honor their service to our country. By donating, you are ensuring the residents of the **Baldomero Lopez State Veterans Nursing Home** will receive enhanced life enrichment services."

"The **State Veterans Nursing Home** provides the long-term care men and women who have served in the military and sacrificed so much of themselves for our great nation," remarks **Tax Collector Mike Fasano**. "The residents of Pasco County always come through to support veterans, especially those who live in need. Your donations will help these brave veterans, who put their country first, be able to enjoy their golden years to the fullest with better medical and life enrichment services."
