Tax Collector Mike Fasano & Staff Collected \$6,000 to Support Six Pasco County Schools' ABC Programs

Tax Collector Mike Fasano's five offices collected donations in July for the *Pasco County School District's ABC (Assist, Believe & Care) Program*. The program was created to provide financial assistance to students and their families who are experiencing economic hardship, especially when those needs interfere with the student's ability to be academically successful. The cash collected will go into a fund that teachers can use when they see or learn of a need a child may have. In past years this office has donated thousands of dollars to Pasco schools to support this important program.

"The management and staff of each of the five tax collector offices in the county chose which school in their respective community they wanted to donate their funds to," comments **Tax Collector Mike Fasano**. "Each office earmarked **\$1,000** for a school in need. In addition, due to the generosity of the community, a sixth school was also the recipient of a **\$1,000** donation."

The schools chosen by each office to receive donations are as follows:

Gulf Harbors Office – **Marlowe Elementary School**, New Port Richey

Wesley Chapel Office – **Veterans Elementary School**, Wesley Chapel

New Port Richey (West Pasco Government Center) Office – **Chasco Elementary School**, New Port Richey

Land O’ Lakes Office – **Pineview Elementary**, Land O’ Lakes

Dade City Office – **Rodney Cox Elementary School**, Dade City

Additional School – **Gulfside Elementary**, Holiday

“It was a great honor for our staff to work with a very generous community to collect these funds on behalf of students in need,” comments **Tax Collector Mike Fasano**. “The strain of COVID only adds to the pressure families are under during these uncertain times. Children without food, adequate clothing or other unmet needs often suffer academically. The *ABC Program* was designed to help students and their families who are experiencing hardship or crisis. The assistance provided helps students get back on track and stay on track. During August and September members of our staff were very pleased to deliver checks to the principal of each school.”
