***A Message from Tax Collector***

***Mike Fasano***

The **Florida Department of Highway Safety & Motor Vehicles** has notified the **Pasco County Tax Collector's Office** that the computer system that provides motor vehicle services across the entire state of Florida is down. The Department has further notified our office that they do not expect the system to be operational for the remainder of the day.

On behalf of the **Florida Department of Highway Safety & Motor Vehicles** we apologize for this regrettable situation and for any inconvenience it may cause you. Thank you for your patience during this difficult time.
