Tax Collector Mike Fasano Announces that over \$6,000 Was Raised During the Summer Donation Drive for the Pasco School District's ABC Program

Tax Collector Mike Fasano's five offices collected donations this summer for the **Pasco County School District's ABC (Assist, Believe & Care) Program**. The program was created to provide financial assistance to students and their families

who are experiencing economic hardship, especially when those needs interfere with the student's ability to be academically successful. In past years, the tax collector's office has donated thousands of dollars to Pasco schools to support this important program.

"These uncertain economic times can provide extra stress upon families who have been dealing with a world greatly impacted by COVID and other personal challenges," remarks **Tax Collector Mike Fasano**. "Thanks to the *ABC Program* funds can be designated to students and their families who are experiencing hardship or crisis. During the month of July our five offices collected monetary donations totaling over \$6,000 to help children and their families in their time of need."

Five Pasco elementary schools received \$1,250 each to be used by its respective *ABC Program*. The following schools all received donations via personal delivery by Pasco Tax Collector staff:

Quail Hollow Elementary School, Wesley Chapel

Cypress Elementary School, New Port Richey

Connerton Elementary School, Land O' Lakes

San Antonio Elementary School, San Antonio

Locke Early Learning Academy, New Port Richey

"We are writing to express our deepest appreciation for your generous donation you have made for our students here at **San Antonio Elementary**," wrote **Kimberly Anderson, Principal** in a letter to **Tax Collector Mike Fasano**. "With this donation you have demonstrated your strong commitment to education and your support is greatly appreciated. There is no way to fully express our gratitude for your faith in our school, teachers, and students."
